

SKILLS

DESIGN

Figma | UX audit | Miro | Unity | Unreal Engine

AI-ASSISTED DEVELOPMENT

Claude Code | Codex | Gemini | C# | Blueprints | n8n

DOCUMENTATION

Google Docs and Sheets | Notion | Confluence | Markdown

ASSETS

Blender | Houdini | Substance Painter | Photoshop

TEAM

Git | Jira

LANGUAGES

Russian, native
English, B2

INTERESTS

game design, systems design, documentation, narrative, UX/UI

COURSES

Foundational C# with Microsoft
Microsoft, 2025

ChatGPT Prompt Engineering for Developers
DeepLearning.AI, 2024

3D Object Modeling
XYZ School, 2022

MAXIM ELCHANINOV

INTERFACE AND GAME DESIGN

slcrmmbr@outlook.com t.me/silenceremember silenceremember.github.io
Saint Petersburg

Open to remote work: part-time or project-based

ABOUT

Game designer: I design game mechanics, systems and interfaces, and write documentation and narrative. I also do UX audits and website interfaces. I build prototypes and tools with AI to test an idea before it goes to development. PhD student at ETU “LETI”, researching software documentation tools.

EXPERIENCE

Game Designer — Apr 2025 – now
Ingvik Studios
Asymmetric RTS B.I.T.E.: three vampire skill branches with progression, human faction upgrades; a tree generator in Houdini

R&D Team Lead — Feb 2024 – now
2IQLabs, student group at RANEPA
Led the team until Apr 2025: tools, prototypes, Wobbledink. Now I set the direction for Shards of Sanity and Wobbledink

Technical Support Engineer — Sep 2023 – Aug 2024
IT Novation LLC
ViPNet installation and setup, remote troubleshooting, including ViPNet coordinators

CASES

UX audit of the LETI admissions site
8 findings, 4 critical

B.I.T.E.
vampire skills, faction upgrades

Shards of Sanity
art direction and game design

Capybara Bunk
interface, setting and story

Gridsnap
Unity add-on on the Asset Store

Wobbledink
documentation: web, Docs, VS Code

EDUCATION

ETU “LETI”, PhD studies — 2026 – 2029
2.3.5 Mathematical support and software of computing systems, complexes and computer networks

RANEPA, Master’s degree — 2024 – 2026
09.04.03 Applied informatics: computer game development (game design)

KubSTU, Bachelor’s degree — 2020 – 2024
10.03.01 Information security

RESEARCH

11 publications (RSCI), 6 software and database registration certificates
